Dear Mr. McDougall,

The Association of Canadian Community Colleges (ACCC) strongly objects to several aspects of the Access Copyright Post-Secondary Educational Institution Tariff, 2011-2013. On behalf of our members, we are filing our objections detailed in the attached document.

ACCC wishes to preserve its rights to make additional submissions to the Copyright Board of Canada at future hearings where evidence in support of our assertions will be presented.

In the interim, please contact us if you have any questions or require anything further.

Sincerely,

James Knight
